まさかの第２巻……！
ありがたやーありがたやー。

実家を出て独り暮らしを始めました。
猫たちのいない生活は寂しいですが、
だらけ放題だった実家に比べて
生活には前よりハリが出たように思います。

これを起爆剤に、もっとアクティブに頑張りたいです。
お付き合いいただけましたら幸いです！

The following is the afterword.
Trying to remember the period before the release.
Hmm
Anyway
I need paper and pens for drawing manga
Had been using a ballpoint pen before then.
And so I had to create "a manga that has children"
Yes,!
One Day
TO MATCH YAMADA-SAN'S DRAWING STYLE
PLEASE CREATE A MANGA ABOUT CHILDREN
Blank stare
After many negotiations
The main female character is a gothic lolita
Because the clothes are hard to draw I'll just make her hair straight

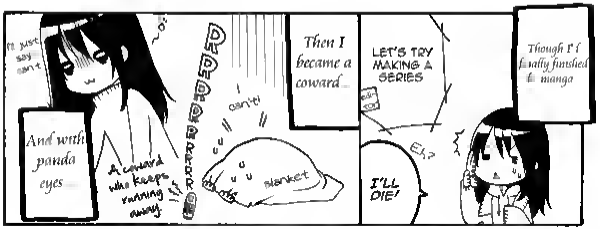
WHAT SHOULD I DO WHEN THE LINES FADE AFTER I STICK THE DARK TONES ON?
Maybe I need to remove the parts covering the lines?
THE PART I WANT TO PERFECT!
WHAT ARE YOU SAYING?
Is she gonna to die all right?
Deadline
ARE YOU USING TONE-HERA...?
What's that? I'll Google it later
Ah, YES!
My fingernails were my tone-hera at that time.
T/N: TONE-HERA IS A PLASTIC USED FOR APPLYING TONE



I'm just lazy, aren't I...
And with panda eyes...
A coward who keeps running away!!
DASH DASH DASH
Then I became a coward...
aah!
sob

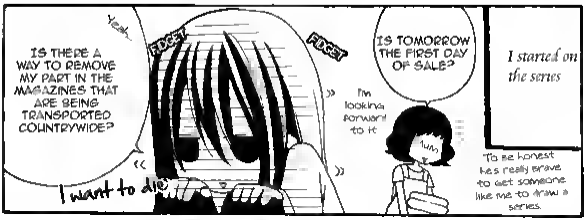
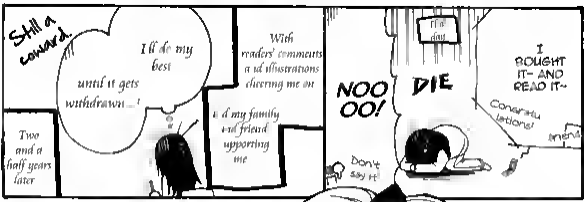
LET'S TRY MAKING A SERIES
sob sob
Eh?
I'LL DIE!
Though I'd finally finished the manga



IS THERE A WAY TO REMOVE MY PART IN THE MAGAZINES THAT ARE BEING TRANSPORTED COUNTRYWIDE?
Yeah.
FLOAT
FLOAT
I want to die
IS TOMORROW THE FIRST DAY OF SALE?
I'm looking forward to it.
I started on the series
To be honest, it's really brave to get someone like me to draw a series.



Still a coward...
I'll do my best until it gets withdrawn...!
Two and a half years later
With readers' comments and illustrations cheering me on
and my family and friend supporting me
It's out
NOOOOO!
DIE
I BOUGHT IT~ AND READ IT~
Congratulations!
Don't say it!

And now I'm still drawing this group of children grate fully every day
I can't believe it was able to continue on until now

Special★Thanks
